## RAUMATI SOCIAL CLUB FRIDAY SEPTEMBER 21

"So few words, so much to rave about. Astonishing. Buy it. Clever. Dazzling. Engaging. Felice Brothers. Genius. Humorous. Iron & Wine. Jayhawks. Kiwi classic. Love (as in, I'm in). Mesmerising. No 1. Observant. Passionate. Quintessential. Repeat play. Springsteen. Thanks. Uplifting. Vital. Wry. X-factor. Yes, yes, yes. Zero filler. In 30-odd years of reviewing music, this is the most satisfying album I have ever had the pleasure of listening to by a bunch of Kiwi musicians. iPod essential: Cushions" – Sunday Star Times
